

**FX LIMITER - SILVER**

Incorporate this limiter to the FX series of arms in order to restrict the rotation of the arm.

**BENEFITS**

- Incorporate with or without FX extension arm
- Provides incremental limited arm movement
- Ability to lock arm 90 degrees from wall
- Protects arm and furniture from damage
- One step installation

- ❶ 19 degree incremental restriction
- ❷ Anodized aluminum
- ❸ Removeable pins prevent arm from hitting wall or furniture
