Product Description

FX Fluid 45 Combo Dual LCD Wallcenter – Silver

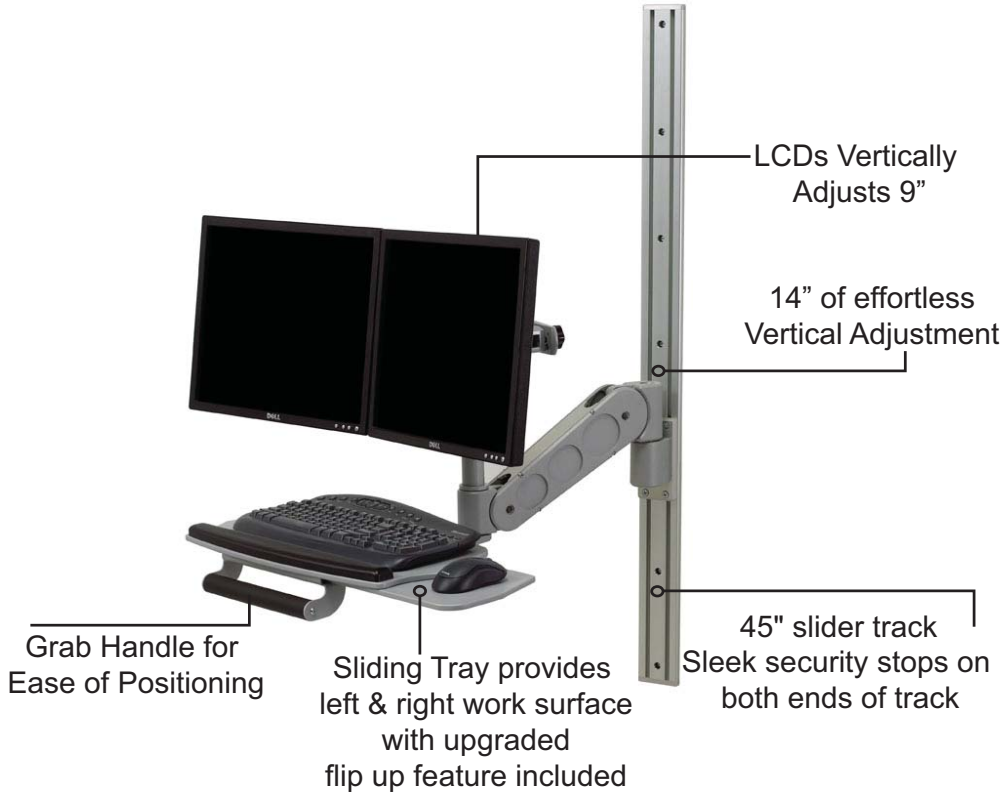

Our ergonomic design delivers ease of use and maximum access to LCD and Keyboard, on a single arm, improving productivity. One-touch vertical adjustment positions the wall center where you need it the most, whether working in a sit or stand position. Esthetically pleasing and extremely durable, this mount routes wires internally to manage and keep cables organized.

Benefits

- 180° of lateral arm movement and 14" of vertical travel distance, meets the needs of all users, while standing or sitting
- Arm vertically adjusts on 45" wall track
- Secures Two (2) LCD's with a combined maximum weight of 40lbs.
- LCD independently adjusts vertically 9" on rails
- Retracts to a compact 8" for convenient storage, with the keyboard in the flipped-up position
- Entire mount is powdered coated in anti-microbial paint which compliments health care environments
